MRS. WATSON'S UPDATE

We are counting down the weeks until summer break begins! Everyone is getting spring fever, but the teachers continue to push the students academically each day. We want to ensure that they get as much knowledge before they leave for the summer as they possibly can. Our end of the year testing is coming up soon (see dates below). We take these tests very seriously and we hope you do as well. Teachers will communicate with their class and parents on specific days that they test during that testing window.

We will be doing one more fundraiser in the next few weeks. We will be doing a Penny Drive to raise money for our Blue Jay Bash carnival on April 28th. Info will come home soon!!

Our attendance since Spring Break has gone up. Thank you for getting your child to school on time each day. We hope to keep our attendance up for the remainder of the year. The students will also be doing some fun activities as we near the end of school. As always, these activities are a privilege and not a right. Students must behave and follow the rules in order to get to participate. We are looking forward to a wonderful final 7 weeks of school!! The last day of school is May 23rd!

Helping out at home....

Prepping for summer break: Before school is out we will send home packets of information so that parents know what to do with their child over the summer to prepare them for 2nd grade. Be watching for this packet in May. Continue to read with your child every night!!

Morning Recess

We will continue morning recess now that the weather is nice. Make sure you dress your child appropriately. We also have a lot of items in our lost and found. Have your child check this area to see if any of the items belong to them.

FUNDRAISER DELIVERY
WILL BE ON TUES.
APRIL 4TH—THANK
YOU TO THOSE WHO
PARTICIPATED!!

School Hours:
8:15-3:10

Help us keep our attendance rate above 95%. Remember early checkout also counts as a tardy, and tardies add up to absences.
