## H. Contracts/Agreements under \$10,000

1. Agreement with Trak-1 Technology for background checks for prospective employees and volunteers for 2016-2017......Pages 61-69

## Commentary:

This is our annual renewal agreement with Trak-1 for background checks. This is basically our backup service. All employees must go through an OSBI fingerprint background check. The Trak-1 service is used when the OSBI report has not been received or has been delayed but is forthcoming. Trak-1 will verify any convictions that would be attributed to that individual. The cost for this service for 2015-2016 was \$1680. **Doug Ogle will answer any questions.** 

## **RECOMMENDED ACTION:**

The Superintendent recommends approval.

## 12. Business Agenda:

A. Discussion and possible action regarding the 2016-2017 School Budget

Pages 70-103

## Commentary:

A copy of the budget is included in your packet. Mr. Dennis Schulz will make a presentation to the Board. **Dennis Schulz will answer any questions.** 

## **RECOMMENDED ACTION:**

The Superintendent recommends approval.

B. Recommendation, consideration and action to approve appropriations of the 2016 Bond Fund proceeds.....Page 104

## Commentary:

This approval authorizes the staff to spend proceeds of the bond issue received in August 2016.

## **RECOMMENDED ACTION:**

The Superintendent recommends approval.

C. Recommendation, consideration and action upon authorizing Ms. Jana Wanzer to replace Ms. Terina Graham as authorized representative for the Child Nutrition Program......Page 105

### Commentary:

Due to a change in personnel responsibilities, approval of this change is necessary. **Dennis Schulz will answer any questions.** 

### **RECOMMENDED ACTION:**

The Superintendent recommends approval.

D. Recommendation, consideration and action upon Guthrie Jr. High Health Fair for 7<sup>th</sup> grade students December 13<sup>th</sup> and 15<sup>th</sup>, 2016......Pages 106-107

### Commentary:

This Health Fair has been held for a number of years at the Jr. High. Classes are led by individuals from the Logan County Health Department, Guthrie Police Department, OSU Extension Office and FCA. A letter from Teresa Barbour, Guthrie Jr. High Counselor, which will be sent home to the parents, is included in your packet outlining different subjects to be covered. **Doug Ogle will answer any questions.** 

## **RECOMMENDED ACTION:**

The Superintendent recommends approval.

E. Recommendation, consideration and action to approve the transcription of math and science credit options taught at Meridian Technology Center Pages 108-114

## Commentary:

We take this action every year. This allows 10<sup>th</sup>, 11<sup>th</sup> and 12<sup>th</sup> grade students to take a math or science course at Meridian Technology that counts as credit at Guthrie High School. **Doug Ogle will answer any questions.** 

## **RECOMMENDED ACTION:**

The Superintendent recommends approval.

F.Recommendation, consideration and action upon revisions to District Policy:• D-10 Certified Staff ResignationsPage 115

## Commentary:

This was a discussion item last spring and comes to you now as a recommendation of a policy change by our attorney.

## **RECOMMENDED ACTION:**

The Superintendent recommends approval.

#### G. **Recommendation, consideration and action upon revisions to District Policy:** Guthrie Public Schools Wellness Policy • F-6

Pages 116-120

Commentary:

## GUTHRIE PUBLIC SCHOOLS BOARD MINUTES REGULAR MEETING SEPTEMBER 12, 2016

## MINUTES OF THE GUTHRIE PUBLIC SCHOOLS BOARD OF EDUCATION REGULAR MEETING HELD AT 7:00 P.M. IN THE OFFICE OF THE BOARD, 802 EAST VILAS, GUTHRIE, OKLAHOMA ON SEPTEMBER 12, 2016

Board Members Present:	Jennifer Bennett-Johnson, Gail Davis, Terry Pennington, Janna Pierson, Travis Sallee and Tina Smedley
Board Member Absent:	Sharon Watts
District Level School Officials Present:	Dr. Mike Simpson, Superintendent Dennis Schulz, Ass't Superintendent Doug Ogle, Executive Director of Personnel/Secondary Ed Carmen Walters, Executive Director of Federal Programs/Elementary Ed Eldona Woodruff, Director of Special Education Cody Thompson, Director of Operations Dee Benson, Director of Technology Jessica Callaway, Director of Child Nutrition Jean Watts, Deputy Minutes Clerk

- 1. The meeting was called to order by Vice President Bennett-Johnson.
- 2. Members Jennifer Bennett-Johnson, Gail Davis, Terry Pennington, Janna Pierson, Travis Sallee and Tina Smedley were present for roll call.

Member Sharon Watts was not present for roll call.

- 3. A quorum was established.
- 4. Vice President Bennett-Johnson asked everyone present to stand and join her in the Pledge of Allegiance.
- 5. Vice President Bennett-Johnson asked everyone present to join her in a Moment of Silence.
- 6. Vice President Bennett-Johnson asked for the presentation of Certified and Support Employee of the Month.

Mr. Doug Ogle, Executive Director of Personnel and Secondary Education, announced the award winners for August: Mr. Moses Bruce, Custodian at GHS, for support employee of the month and Ms. Carmen Walters, Executive Director of Federal Programs and Elementary Education, as certified employee of the month. Nomination letters were submitted to the committee by: Ms. Maggie Wade, counselor at GHS, for Mr. Moses Bruce and Mrs. Jessica Eaves, site secretary at GHS, for Ms. Carmen Walters.

Mr. Ogle presented the award winners with a plaque.

7A. Vice President Bennett-Johnson asked the Superintendent if there were any citizens registered to speak to the Board.

Superintendent Simpson stated there were no citizens registered to speak to the Board.

7B. Vice President Bennett-Johnson called for any comments to the Board by Board members.

There were no comments to the Board by Board members.

8. Vice President Bennett-Johnson called for the Superintendent's Reports.

Superintendent Simpson reported on the following:

Since starting his 5<sup>th</sup> year in this District, this is the smoothest start to a school year we have had. Much of this success is attributed to the Transportation Department having everything very organized and ready for a new year. As Director of Operations, Mr. Cody Thompson has done great with this being his first time of opening the school year in Guthrie.

GHS Football is currently 2-0. They were not able to finish the game at Ponca City last Friday due to the weather. They will be playing at Carl Albert on September 23<sup>rd</sup>.

The student count for this year looks very similar to the ending count of 2015-2016. We are not sure how those numbers will look after the October 1<sup>st</sup> child counts are in statewide.

The State Department of Education will be receiving \$40.2 million from the State. It is yet to be determined how those funds will be distributed. We are expecting that those funds will be put into the funding formula rather than in the line items they were taken from. We are hoping to find out soon where the money will be placed.

9. Vice President Bennett-Johnson called for the presentation on ACT High School to College Success Report for 2015-2016.

Mr. Doug Ogle, Executive Director of Personnel and Secondary Education, reported on last fiscal year's High School ACT results. He began by confirming the results presented are from the 2016 senior class. There were 8 more students tested than there were in 2015. The junior class was tested in 2015-2016 but those results are not compiled in this data. The scores reflect the last test that was taken by each senior.

In the subjects of English, Reading and Science, the average dropped from last year but the scores remain less than one point from the State average. In Math, our scores dropped as well and were one point below the State average.

Mr. LeGrande, Guthrie High School Principal, stated that the rigor has been increased at GHS. We have more students than ever taking A/P and concurrent classes. Those numbers have increased by 64 students compared to last year. He believes this is a result of the valedictorian/salutatorian policy that the senior class of 2017 will adhere too. This is the first class to fall under that policy. He expects improvement of test scores with this increase in A/P and concurrent enrollment over the next several years. As we work towards getting more students to take the ACT, the average could actually be lower.

10. Vice President Bennett-Johnson called for action on the Consent Agenda.

Member Sallee requested Item 10A be removed from the Consent Agenda for consideration.

A motion was made by Sallee and seconded by Smedley to approve the Consent Agenda excluding Item 10A.

The motion carried with 6 ayes and 0 nays.

### USDA United States Department of Agriculture

## Smart Snacks in School Beverage Options

The Healthy Hunger-Free Kids Act of 2010 directed the USDA to establish science-based nutrition standards for all foods and beverages sold to students in school during the school day. The new Smart Snacks in School nutrition standards will help schools to make the healthy choice the easy choice by offering students more of the foods and beverages we should be encouraging —whole grains, fruits and vegetables, leaner protein, low-fat dairy, while limiting foods with too much sugar, fat and salt.

*Smart Snacks in School* lays out targeted, science-based nutrition standards for beverages that reflect current nutrition science and progress being made in States and local communities across the country, as well as through existing voluntary efforts. The new standards allow variation by age group for factors such as portion size and caffeine content. While water is available on an unlimited basis, USDA has established reasonable, age-appropriate portion size standards for all other beverages in order to reinforce the important concepts of moderation and balance in student diets.

### Highlights of the Smart Snacks in School nutrition standards include:

- Healthier beverage options during the school day. All schools are allowed to sell:
  - · Plain water (carbonated or uncarbonated);
  - · Unflavored low-fat milk;
  - · Flavored or unflavored non-fat milk (and milk alternatives); and
  - 100 percent fruit and vegetable juices, and full-strength juice diluted with water, carbonated or non-carbonated, with no added sweeteners.
- Portion sizes based on age.

Elementary schools may sell up to 8-ounce portions of allowable milk and juice beverages, while middle and high schools may sell up to 12-ounce portions. In high schools, the standards limit the maximum container size to 12-ounces for lower calories beverages and 20 ounces for calorie-free beverages.

- Additional options for older students.
  - The new standards provide additional beverage options to high school students, recognizing their increased independence, relative to younger students, and the wide range of beverages available to high school students in the broader marketplace. Beyond water, milk and juice, Smart Snacks in School provides additional calorie-free and lower-calorie beverage options for high school students:
  - · Calorie-free beverages, in up to 20-ounce portions; and
  - Lower-calorie beverages with up to 40 calories per 8 ounces or 60 calories per 12 ounces. These may be sold in up to 12 ounce portions.
- Caffeinated beverages remain an option for high school students.

The new nutrition standards do not restrict the sale of caffeinated beverages to high school students. USDA encourages school districts to exercise caution when selecting items for sale to their students. USDA will continue to monitor the Food and Drug Administration's (FDA) work on caffeine and will consider revising the nutrition standards in the future as appropriate.

Balance per Ledger	\$534,236.52	Balance per Ledger	\$534,236.52		

#### Adjustment/Correction explanations:

Recoded 8/25/16 payment # 1535 on 9/29/16 and didn't change the date, causing it to appear on September revenue/expenditure summary.

-\$6.00 bank adjustment made to 9/6/16 deposit, not on bank statement.

This information is accurate and correct to the best of my knowledge.

THIS BACKGROUND SCREENING SERVICE AGREEMENT ("Agreement") is effective the \_\_\_\_\_\_, 20\_\_\_, by and between Trak-1 Technology, Inc. d/b/a Trak-1 Technology ("Trak-1"), an Oklahoma corporation, having its principal place of business at 7131 Riverside Parkway, Tulsa, Oklahoma, 74136, and \_\_\_\_\_\_.

#### SCOPE OF AGREEMENT AND RELATIONSHIP OF PARTIES

These terms and conditions, together with: (i) the client information form, (ii) the signature page, (iii) all applicable Compliance Addendums and (iv) the Product Descriptions and Pricing Addendum, compose the entire agreement between the parties, and all other understandings, whether oral or written, are expressly superseded by this Agreement (this "Agreement"). If any provision of this Agreement is held to be prohibited or invalid under applicable law, such provision will be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of this Agreement. This Agreement may only be amended by a written instrument signed by both parties. This Agreement shall not be binding on either party until accepted and signed by an authorized individual on behalf of Trak-1. Trak-1 and CLIENT will perform their obligations hereunder as independent contractors. Nothing contained within this agreement shall be deemed to create any association, partnership, joint venture, or relationship of principle and agent or master and servant between the parties.

#### **RECITALS AND REPRESENTATIONS**

Trak-1 represents that it is a consumer reporting agency that provides information delivery products and services that are put to use by organizations and individuals throughout the United States of America for such purposes that include screening in connection with employment decisions, residential decisions, licensing decisions, lending decisions and more. The information products and services are delivered by and through Trak-1's own proprietary delivery system(s) as well as by and through such systems as may be proprietary to other companies but which are properly put to use by Trak-1, (collectively, "The Trak-1 System"). Trak-1 obtains consumer information from third party sources (including but not limited to credit bureaus, courthouses, individuals, government agencies, former employers, and other furnishers of information and reports such information in a manner that is designed to be lawful as well as to assist CLIENT in its decision making processes. Trak-1 warrants and represents that it will accurately report the information provided to it by any third party sources based on the request made by CLIENT and subject to any restrictions on reporting imposed on Trak-1. Trak-1 cannot and does not guarantee the accuracy of the information furnished to Trak-1 by any third party source. CLIENT represents that it is a legitimate business entity or individual having a legally permissible purpose for obtaining consumer reports and that it utilizes such reports lawfully and properly. CLIENT desires to purchase certain background screening products and services from Trak-1, and Trak-1 desires to provide CLIENT with the same pursuant to the terms and conditions of this Agreement. Based on these understandings, the parties to this Agreement agree as follows.

#### FEES

The fees for Reports are set forth in the Pricing Addendum made part hereof. Said pricing will be valid for 90 days from the effective date of this Agreement, but in any event is subject to change annually upon written notice to CLIENT by Trak-1. The prices and rates for the Reports do not include any third party access fees, government surcharges, nor applicable federal, state or local taxes, which are subject to being imposed or changed as to their amount, with or without notice. CLIENT will be solely responsible for payment of such additional access fees, government surcharges, and taxes levied or assessed upon Trak-1 in connection with Trak-1's provision of services, other than income taxes assessed with respect to Trak-1's net income. Trak-1 does make available to CLIENTs schedules of fees and surcharges as they are reported to and/or become available to Trak-1.

#### **PAYMENT TERMS**

Trak-1 shall issue a statement to CLIENT monthly for services rendered by Trak-1 in accordance with the following terms. CLIENT agrees to pay Trak-1 upon receipt of an invoice for Reports rendered during the previous calendar month according to the current rate schedules in effect, including any taxes, surcharges or add-on fees imposed directly by any municipality, government, court or other such entity. Invoicing may be transmitted electronically or via paper transmission. Invoice fees will apply. CLIENT specifically agrees that it shall be financially responsible for all reports issued as a result of any use of CLIENT's assigned access codes, whether intended or not. CLIENT may only dispute charges appearing upon an invoice, if such dispute is provided to Trak-1 in writing within 30 days from the date of the invoice. All past due amounts shall accrue interest at a rate of 1.5% per month. Accounts suspended for late payment or returned checks are subject to a \$25.00 reconnection fee. If collection efforts are required, CLIENT shall pay all costs of collection, including reasonable attorney's fees. All payments shall be submitted by ACH, approved and authorized credit card payment, or mailed via US Mail to Trak-1 at the following BILLING ADDRESS, unless otherwise notified in writing:

#### **TERM AND TERMINATION**

This Agreement will remain in force and in effect for one year, and thereafter from year-to-year, on the same basis as set forth herein. Trak-1 reserves the right to terminate Client's request for information at any time in the event of : (a) multiple declines due to non-sufficient funds on Client's credit card account, (b) if Client is delinquent in any payment provided for herein, (c) if Client is in violation of the FCRA, (d) if Client has breached any term of this Agreement, (e) if there is a material change in any law or regulation that adversely affects this Agreement, or (f) upon expiration or termination of Trak-1 agreement with any source of Information being requested by Client. Under these circumstances, Trak-1 will have an unrestricted right, without prior notice, to immediately terminate any part or all of this Agreement, without any liability of any kind or nature whatsoever to Client. Trak-1 further reserve the right to terminate this Agreement for any reason other than previously listed upon 30-days written notice to Client. Client may terminate this Agreement for any reason other than previously listed upon 30-days written notice to Client. Client may terminate this Agreement for any reason other than previously listed upon 30-days written notice to Client. Client may terminate this Agreement for any reason other than previously listed upon 30-days written notice to Client. Client may terminate this Agreement for any reason other than previously listed upon 30-days written notice to Client. Client may terminate this Agreement and upon a strength to terminate this advective upon 30-days written notice to Trak-1. The following sections shall survive expiration or termination of this Agreement: all provisions relating to obligations to pay or terms thereof, indemnifications and limitations on liability, confidentiality and/or limitations thereof, compliance requirements and audit rights, changes in ownership, assignment of rights, force majeure, dispute resolution, attorney's fees recovery rights

#### **TRAK-1 OBLIGATIONS**

Trak-1 agrees to provide to CLIENT background screening products and services via the Trak-1 System ("System"). The Trak-1 System includes copyrighted, proprietary, web-based automated software platforms that provide a variety of services all of which relate to background screening, training, information management and more.

Trak-1 Automated Screening Products and Services. Trak-1 makes available to Client for a fee, information using a variety of electronic transmission methods via internet-based gateway connections established by and between Trak-1 and said third party providers of information. Any Trak-1 automated products and will be available within seconds or minutes of the request for information being submitted by CLIENT. Automated products and services return results based on search criteria input by CLIENT and based on search criteria made available from the various third party resources of consumer data and information.

Trak-1 Non-Automated Screening Products and Services. Trak-1 makes available to CLIENT for a fee, information that is made available to Trak-1 from a variety of third party resources of information using a variety of manual research and investigative methods. Any Trak-1 non-automated products are made available subsequent to the request for information being submitted by CLIENT. Non-automated products and services return results based on search criteria input by CLIENT and based on search criteria made available from the various third party resources of information. Non-automated products are returned within time frames specified in the product and service coverage descriptions and specifications which are subject to change and are made available to all CLIENTS through the System, and may be subject to additional access fees which will be passed through directly to CLIENT on Client's monthly invoice from Trak-1.

**Trak-1 Completion of Client Request.** On occasion, in connection with a request by CLIENT for Trak-1's products and services, CLIENT may be required to provide Trak-1 certain written documentation or information required in order for Trak-1 to gain access to the particular information in question. CLIENT understands that Trak-1 will not initiate the processing of CLIENT'S request for information unless and until Trak-1 has received such written documentation from CLIENT. In connection with any request for products and services, Trak-1 will at all times show CLIENT in the System a status report on each request. Each request will reflect a status (for example, "complete" or "pending"). CLIENT understands that if for any reason Trak-1 performs its duties to complete a ssearch but nonetheless is unable to verify information requested by CLIENT because a third party fails to provide the information (i.e. the individual or organization that was designated by the consumer for contact by Trak-1 did not respond to Trak-1's inquiries for information), Trak-1's obligations will have been satsified and the service performed will be billed to CLIENT.

**Trak-1 Report of Information**. CLIENT acknowledges that certain searches (for example, criminal and sex offender searches) are performed using different identifying information, such as name, date of birth or social security number. In general terms, the more precise the identifying information, the more accurate (fewer false positives, fewer false negatives) the search result will be. Certain states and jurisdictions prohibit the use of personal identifying information when providing access to public records. The prohibitions vary from state to state, and even from courthouse to courthouse, but generally preclude the use of date of birth and social security numbers. Consequently, searches of all 50 states with nothing more than a name, particularly with common names, will frequently result in multiple false positive results, i.e., a criminal record for an individual with the same name as an applicant but who is not the actual applicant on whom the search was performed. When a particular state prohibits the use of a social security number in public records, Trak-1 has the ability to filter the results of a search to eliminate most, if not all, of the false positive results by requiring a match of not only the name of the individual, but also a date of birth as well. The potential problem with filtering results is that it may cause the search to not report a positive result because there is no date of birth available, however the result may in fact be for the individual for whom the search was performed.

The undersigned hereby acknowledges and understands that Trak-1 disclaims any and all liability resulting from false positive search results or the failure of Trak-1 to report positive search results based upon various filtering methods employed by or specified for use by Client and Client waives any claim for liability against Trak-1 based upon the same.

**Trak-1 Not Legal Counsel.** CLIENT acknowledges that Trak-1 cannot and does not function as legal counsel. Trak-1 does not provide legal advice. Trak-1 strongly recommends that CLIENT consult with legal counsel before engaging in any program of background screening to ensure overall compliance with all applicable federal, state, and local laws.

#### **CLIENT'S COMPLIANCE AND OTHER OBLIGATIONS**

**Client Acknowledgement of Compliance Obligations.** CLIENT agrees to abide by all applicable state and federal laws and/or regulations governing the requesting, use, retention and transmission of consumer reports and/orinformation of the nature beign requested and provided under this Agreement. Trak-1 refers Client to the Compliance Addendums and Resources provided with this Agreement for further information about Client's compliance obligations. Specific obligations of Client include (but are not limited to) the following: (a) Client may only use the reports and information obtained from Trak-1 under this Agreement for a lawful and permissible purpose, (b) Client will provide written disclosure and obtain written authorization, as required by federal and state law, prior to requesting a report on any individual or company from Trak-1; (c) Client acknowledges and agrees that insofar as the Trak-1 web site can be accessed internationally, Client shall follow all applicable local laws about the Internet, data and email use, privacy and transmission of technical or other data exported from the United States to the country where Client may be domiciled; and, Client will comply with the applicable provisions of the FCRA, the Federal Equal Credit Opportunity Act, the Gramm-Leach-Bliley Act and any amendments to them, all applicable state law counterparts, and all applicable regulations promulgated under any of them, including, without limitation, any provisions requiring adverse action notification to the consumer.

**Client Certifications.** As required by law, CLIENT hereby certifies that every request submitted to Trak-1 is (a) to obtain information which Client is permitted by law to have, (b) for Client's authorized and one-time use for such permissible purpose, and (c) not for the purpose of selling, leasing, renting, compiling, reuse or other impermissible activity. CLIENT warrants that it will not, either directly or indirectly, itself or through any agent or third party: A) request, compile, store, maintain or use information obtained in Report to build its own database; B) resell any information obtained from Reports; and/or C) copy or otherwise reproduce the information in the Report. Each time a request for a consumer credit report is made on a Vermont resident or a resident of any state having a similar consumer consent statute, Client certifies, represents and warrants that Client has obtained the consumer prior to accessing the Information. CLIENT understands that any person who knowingly and willfully obtains information about a consumer from Trak-1 under false pretenses shall be fined under Title 18, United States Code, imprisoned for not more than 2 years, or both. Trak-1 shall not be liable for CLIENT's improper or unlawful access of or use of any information reported to CLIENT by Trak-1.

Client Confidentiality of Information and Restrictions on Access of Trak-1 System. All reports and information provided by Trak-1 to client will be treated as confidential and shall only be used for the permissible purpose which was the basis of the request by client for the information. The ability to access Reports shall be restricted and any issued individual Usernames or Passwords used to obtain Reports should be restricted to those individuals to whom such access was granted. CLIENT will require that each user of CLIENT's system access software will be assigned a unique logon password. Under no circumstances should unauthorized personnel have knowledge of any passwords used to access the Trak-1 System. CLIENT must protect account numbers and passwords in such a way as to be known only to key personnel. Any system access software CLIENT may use, whether developed by Trak-1 or purchased from a third party vendor, must have account numbers and passwords "hidden" or embedded so that the passwords and account numbers are known only to supervisory personnel or other personnel authorized to use the services. CLIENT is solely responsible for the security of assigned access codes, and is required to promptly notify Trak-1 of any security breach involving usernames, passwords, or consumer information.

**Restrictions on Access to Credit or Financial Information**. Pursuant to the requirements of the credit bureaus and in an effort to protect the rights of consumers and ensure that only legitimate businesses are given access to their credit information, an On-Site Physical Inspection ("Inspection") of CLIENT is required prior to CLIENT being granted access to Trak-1's credit-related or financial service related products. Trak-1 will notify CLIENT of the need for an Inspection of the CLIENT's business by a neutral, third-party vendor who is approved by the credit bureaus for conducting such inspections. Such inspection shall only be conducted at a time mutually agreeable to both the vendor and CLIENT and shall be non-intrusive in nature, shall not include any proprietary or confidential information of CLIENT and shall not involve inspection of any information existing in secured or non-public areas. Any CLIENT failing the initial Inspection will be subject to denial of access to Trak-1 credit or credit-related products and services. The CLIENT will thereafter have the opportunity to resolve any issue identified during the Inspection. Once all issues have been resolved, a second On-Site Re-Inspection may be requested by CLIENT. Should the CLIENT accessing credit or financial information hereby agrees that it shall be subject to an Inspection at any time during the terms of this Agreement to verify that the CLIENT is still operating as a legitimate business entity. Trak-1 reserves the right to deny access to any Trak-1 credit-related products for failure to comply or to meet the requirements of any Inspection or any credit bureau or other data source imposed requirements. CLIENT is not obligated to permit inspection and/or provide identification; however, Trak-1 reserves the right to provide certain credit related or financial service related products and services. All Clients hereby acknowledge that Trak-1 reserves the right to require an on-site inspection at any time in order to satisfy Trak-1's interest in pro

**Electronic File Storage.** Each Report issued by Trak-1 will be available on the System for a period of 90 days from the date the Report was issued. Thereafter, Trak-1 will retain such report in an archived, digital, secure fashion, and will only make such report available to CLIENT upon written request . Trak-1 reserves the right to charge an appropriate fee for such archived data retrieval. Once issued by Trak-1 upon request of CLIENT, CLIENT shall be solely responsible for the proper and lawful use, retention, storage and destruction of all such Reports by CLIENT.

**Client Audit Obligation.** Trak-1 reserves the right to periodically audit Client's compliance with the FCRA and other privacy and confidentiality laws. Client hereby consents to Trak-1 conducting such audits and agrees that any failure to cooperate fully in the conduct of any audit will result in immediate termination of Client's access to Trak-1.

#### **CONFIDENTIAL INFORMATION**

Each party agrees that the following materials and information and all copies thereof of whatever nature are confidential: (i) proprietary information of either party (including, without limitation, the names and addresses of customers and consumers) and information that either party does not generally make available to the public; (ii) the methods, means, personnel, equipment, and software by and with which the other party provides its products and services ; and (iii) any other information that either party reasonably designates, by notice in writing delivered to the other party, as being confidential or proprietary ("Confidential Information"). #### DISPUTE RESOLUTION, FORUM, CHOICE OF LAW, ATTORNEY'S FEE

Any dispute arising out of or relating to this Agreement or its breach will be settled by arbitration under and in accordance with the Commercial Arbitration Rules of the American Arbitration Association and governed by the laws of the State of Oklahoma. The arbitration will be held in Tulsa, Oklahoma. The award rendered by arbitration shall be final and binding upon the parties, and judgment upon the award may be entered in any court of competent jurisdiction in the United States. This agreement to arbitrate will not prevent either party from applying to a court of competent jurisdiction for a temporary restraining order, preliminary injunction or other equitable relief to preserve the status quo or prevent irreparable harm. Each party hereby consents to the jurisdiction of the state and federal courts of Oklahoma in connection with any application for such relief. Should the arbitration provision hereinabove fail for any reason to bind the parties to such dispute resolution, the parties expressly agree that any legal action between the parties for a claim or dispute arising out of or relating to this Agreement or its breach shall commence in a court of competent jurisdiction in Tulsa County, Oklahoma. This Agreement shall be governed by the laws of the State of Oklahoma. Additionally, the governing law for any arbitration, or legal action in the event of the failure of the arbitration provision of this Agreement, shall be the law of the State of Oklahoma. The avert of the failure of the arbitration provision of this Agreement, shall be the law of the State of Oklahoma. The avert of any default on the part of either party to this Agreement, in addition to all other remedies, the party in default will pay the aggrieved party all amounts due and all damages, costs and expenses, including reasonable attorneys' fees, incurred by the aggrieved party in any legal action, or other proceeding as a result of such default, plus interest at the highest rate allowable by law, accruing from the date of such default.

#### ASSIGNMENT OR CHANGE OF OWNERSHIP

Client shall not assign, sell or transfer its rights in this Agreement or the right to receive the Information, services or products provided hereunder, whether by operation of law or otherwise, without Trak-1's prior written consent, which shall not be unreasonably withheld or delayed. Any attempted assignment in violation of this Section 24 shall be void. This Agreement is fully assignable by Trak-1 and shall inure to the benefit of any assignee or other legal successor in interest. Trak-1 also reserves the right to assign or subcontract any or all of its duties arising hereunder. In the event of a change in ownership or change in control of Client, Client must notify Trak-1 in writing, and, if Trak-1 so requests, must execute a new Client Agreement or Client's service hereunder may be suspended or terminated.

#### **NO WAIVER**

The terms, representations and warranties of this Agreement may only be waived by a written instrument executed by the party waiving compliance. Except as otherwise provided for herein, neither party's failure to enforce any right or remedy available to it under this Agreement shall be construed as a continuing waiver of such right or a waiver of any other provision hereunder.

#### **CREDIT AUTHORIZATIONS**

Client authorizes Trak-1 to obtain any and all information concerning Client's business and personal history and financial credit report, which Trak-1 may require in connection with this Agreement.

#### COUNTERPARTS

This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. A facsimile or electronic transmission of the signed Agreement shall be legal and binding on all Parties.

#### NOTICE

Any notice required under the terms of this Agreement must be in writing either by U.S. Mail or by electronic transmission.

Broad Sereen Griminal & Sera Offender Search (Verined Hits)	Using the applicant's name and date of birth, Trak-1 Technology queries our national database of over one billion for criminal history, including felonies, misdemeanors, sexual offenses, and where permitted, felony traffic offenses. Also includes a search of Federal watch lists for the Office of Foreign Asset Control (OFAC), the Drug Enforcement Administration (DEA), the Bureau of Alcohol Tobacco Firearms and Explosives (ATF), and Most Wanted lists for the Federal Bureau of Investigation (FBI), the US Secret Service, America's Most Wanted, and the US Marshal's office. To comply with FCRA guidelines, Trak-1 verifies criminal hits associated with the applicant.	With information compiled from over 370 data- sets, the BroadScreen Criminal & Sex Offender search is recommended as a starting point for any volunteer or employee background search. Because this query is not limited to the state the organization resides in, it provides a national, overarching view of the applicant and will identify criminal activity in areas where the applicant may not permanently reside or may have held past residence. Records returned often include the offense, class level, disposition, sentence, and date of offense.	<b>315.93</b>
MotorVenicle Record(MVR)	Using the applicant's driver's license number and name, Trak-1 Technology queries the applicant's driving record and reports the issue/expiration dates, class, points, citations, accidents, and revocations.	Motor Vehicle Reports are suggested for any applicant with driving privileges on behalf of the organization, whether it be in a personal or company vehicle, on organization property, or for any organization related purpose. The Motor Vehicle Report provides driving history that is currently on file with the Department of Motor Vehicles, which is often a major consideration in insuring company vehicles and drivers.	35100 : පුලාබිපෝධ්ව වැදෙදු දිරිදිදු දිරිදිදි වැදදි දිරිදිදි දිරිදිදි දිරිදිදි දිරිදි දිරිදි දිරිදි දිරිදි දිරිදි දිරිදි දිරිදි දිරිද දිරිදි දිරිදි දිරිද දිරිදි දිරිදි
Unitecornicy GinliniSencio	Using the applicant's name, date of birth, and (where permitted) social security number, Trak-1 Technology queries the county level database(s) for a selected state. A county search will disclose the jurisdiction, offense, offense description, case number and case description. The search may also disclose city violations, code enforcements, and felony traffic offense (where permitted).	Designed to complement the BroadScreen Criminal & Sex Offender Search, the Multi-County Criminal Search is recommended not only to help reveal additional case information not available nationally, but to also reveal offenses currently under prosecution, and/or historic traffic offenses. Using the applicant's social security number Trak-1 Technology provides a complete history of all reported addresses and names associated with that social security number. This search does NOT verify the applicant's social security number.		<b>35:00</b>

### **BUDGET PHILOSOPHY**

A budget is a plan for financial operation made up of proposed expenditures for a given period and the proposed means of financing them. A budget is prepared as a plan to carry the mission of public schools and to insure that all necessary programs are provided for.

The choice of the appropriate budget method is an important decision. Some budget methods may promote greater board and community understanding of the budget and ultimately, the district's priorities, than others. If the community can see the connection between dollars and educational programs, it is likely that the school board will be more successful in gaining acceptance of the budget from school district patrons. In addition, budget methods which result in better community understanding may result in increased financial support of schools. This will also determine which educational priorities are seen as important to the community.

A benefit of a move toward greater decentralization of financial control may well be that such a move increases the ability of the school principal to effectively direct resources to achieve program goals. Also, budget methods which attempt to direct resources to program needs rather than "across-the-board" increases serve to increase cost effectiveness. One of the drawbacks to decentralization is that curriculum coordination across programs and schools may be difficult. An effective management information system, open lines of communication among staff members, and a concern for equity should alleviate some of these problems, while allowing a school administrator to target resources to students' needs at the same time he or she manages a consistent and coherent educational program.

One of the potential disadvantages of a budget method which does not use an "objective" formula to allocate resources is that politically active groups may be in an advantageous position to lobby for additional funds. When using certain budgeting models that allow for community participation, great care should be taken to effectively guard against undue influence of special interest groups. The degree to which children will receive equal access to educational resources will depend to a large extent on the commitment of school officials to equity and excellence.

#### 2016-2017 BUDGET TIMETABLE

The budget cycle is typically a year-round process, beginning with ongoing fund balance projections and statutory staffing commitments that are required to be made by the first Monday in June of each year prior to the start of the upcoming fiscal year in July. At any one time the Superintendent is concerned with three fiscal years' budgets; planning for the next fiscal year, administering the current fiscal year, and evaluating the last fiscal year. It is very difficult to manage a public school budget because the major expenditure, salaries and benefits, must, by law, be committed before revenue allocations are known. The budgeting timetable for this fiscal year is shown below:

June, 2016	Renew Teacher Contracts
June, 2016	Renew Support Personnel Contracts
June, 2016	Approve Temporary Appropriations
July, 2016	Notification of Initial State Aid Allocation
August, 2016	Certification of Property Valuations by County Assessor
September, 2016	Board of Education approval of Estimate of Needs
September, 2016	County Excise Board approval of Estimate of Needs
October, 2016	Board of Education Approval of Operating Budget
December, 2016	Notification of Mid-Term Adjustment to State Aid Allocation
If needed	Request(s) for Supplemental Appropriations and Amendments to Operating Budget

## APPENDIX A

## **BUDGET GUIDELINES BY FUND**

#### 11 GENERAL FUND (FOR OPERATIONS)

The general fund of any school district is hereby defined as a current expense fund and shall consist of all revenue or monies that can legally be expended within a certain specified fiscal year, but shall not be considered as including any money derived from a special Building Fund levy, nor shall it include any monies derived from the sale of bonds. Expenditures from the General Fund shall be non-capital in nature.

#### Revenue

When planning a budget, the first step is to project revenue in order to determine the funding level available to finance expenditures. At one time, the General Fund balance was required by law to be no greater than 12%. However due to hardships created by revenue shortfalls at the state level in past years, the legislature, in 2005, increased the allowable fund balance to 14% for schools with General Fund revenue of \$10,000,000.00 and above which includes Guthrie Public Schools. Every effort should be made to limit expenditures in any fiscal year to the amount of revenue collected in that year to prevent any material erosion of the fund balance. In the 2015-2016 fiscal year, the district expended substantially more than it collected. The current fund balance of \$2,050,330.43 (9.77%) represents a decrease of \$749,230.10 from the end of the 2014-2015 fiscal year. School board policy establishes a fiscal management priority to maintain a general fund balance of 12% or approximately \$2.52 million.

In 2015-2016 local sources of revenue provided 24.61% of total revenue, county sources 4.00%, state sources 63.81%, and federal sources 7.58%. A comparative revenue report is provided in Appendix C.

The state aid formula was revised in 1997. We now receive a preliminary allocation of funds in July, which is subject to change when a final allocation is made in December. As a result, we are approximately six months into the budget year before we have information to accurately determine state aid. Due to this situation, a conservative estimate of state aid revenue is required when making initial projections. The District's initial state aid allocation for 2016-2017 is \$259,963.00 more than was actually collected in 2015-2016 which is encouraging. However, it is also very likely that another source of state revenue, gross production tax, could decline substantially in 2016-2017. There is also a very real possibility that revenue estimates at the state level, which are the basis for our state aid appropriation, are overstated, and that before the end of the 2016-2017 fiscal year a revenue failure could occur resulting in reduced funding from state sources.

#### Expenditures

Revenue projections determine the amount of funds available to finance expenditures. In other words, Guthrie Public Schools plan to live within the revenue we will collect. Revenue projections are made in the summer after various allocation notices are received by the district. Every school site has two budgets; an instructional budget and a library budget. The library budget is normally based upon State Department of Education accreditation requirements which have been waived until the state aid funding factor increases to \$3,291.60 per weighted student. The requirements for each site are: 500 or fewer students, \$9 per pupil; 500-999 students, \$4,500 for first 500 students and \$5 per student above 500; and 1000-1999 students, \$7000 for first 1000 students and \$4 per student above 1000.

The procedure for making expenditures involves the use of the encumbrance system. An encumbrance is an obligation to pay in the form of purchase orders, contracts or salary commitments which are chargeable to an appropriation account, and for which a part of the appropriation is reserved. When an encumbrance is paid, it becomes an expenditure. In this manner, financial officers of the school district are able to distinguish the portion of the budget already expended, the portion encumbered and the portion unencumbered.

Personnel adjustments have been made to reduce expenditures for salaries, benefits and employer payroll costs in the 2016-2017 fiscal year. This has been accomplished largely through attrition. A Fixed Cost Analysis is provided under Appendix C.

Title 70-5-134.1 of Oklahoma Statute, enacted in 1994 and since repealed, required a budget by the function expenditure classification to be approved by the Board of Education. Guthrie Public Schools has chosen to continue this practice for the purposes of public information and transparency. The function dimension describes the purpose of the expenditure. The primary purpose is, of course, instruction. Other functions include library services, counseling services, transportation, building operation and maintenance, and school district administration. A brief definition of the function expenditure classifications can be found in Appendix A.

#### 21 BUILDING FUND

The Building Fund of any school district shall consist of all monies derived from the proceeds of a Building Fund levy not to exceed five (5) mills in any year, unless elimination of personal taxes is voted by the patrons of a school district and by LEA Board Resolution. The Building Fund may be used for erecting, remodeling, or repairing school buildings, for purchasing furniture, equipment and computer software, for repairing and maintaining computer systems and equipment, for paying energy and utility costs, for purchasing telecommunications utilities and services, for paying fire and casualty insurance premiums, for purchasing security systems, for paying salaries of security personnel, or for one or more, or all, of such purposes. Proceeds of such levies shall not be required to be used during the year for which a levy is made but may accumulate from year to year until adequate for purposes intended. The Building Fund is classified as a current expense fund, but shall not be considered a part of the General Fund. Fiscal year 2016-2017 Building Fund revenues are projected to be \$679,113.46.

#### 22 CHILD NUTRITION PROGRAMS FUND

State, federal and local collections of child nutrition monies may be placed in a governmental budget account that will be administered through the school district treasurer and appropriated separately from all other funds. The beginning fund balance each year, combined with all revenues including collected and estimated revenues must be appropriated before being expended.

It is very important that expenditures be limited to the amount of projected revenue available in the Child Nutrition Fund to minimize the need for the General Fund to subsidize child nutrition operations resulting in a reduction in funding available for instructional purposes.

#### 31 BOND FUND

A Bond Fund accounts for proceeds from the sale of bonds, from which all expenditures for bond projects are paid. By law, Guthrie Public Schools shall expend all of the proceeds of such bond issue for the general purposes set out in the proposition voted upon, and shall expend not less than eighty-five percent of the monies allocated to each specific project, unless such project can be completed for a lesser amount of money. Bond Fund titles should include purpose and fiscal year of authorization.

#### 41 SINKING FUND (DEBT SERVICE FUND)

The Sinking Fund of any district shall consist of all money derived from ad valorem taxes or otherwise as provided by law for the payment of bonds and judgments and interest thereon. Since this fund is for the purpose of debt service only, financial reporting as a part of the operating budget will be minimal. A treasurer's check or EFT is issued for Sinking Fund payments according to a legally authorized amortization schedule until all indebtedness, including interest, is paid.

#### 81 GIFTS AND ENDOWMENT FUND

This is a separately appropriated fund established to account for revenue from a philanthropic foundation, private individual, or private organization for which no repayment or special service to the contributor is expected. In many cases endowment funds allow for income derived from such funds to be expended, but the principal must remain intact.

#### 86 CASUALTY/FLOOD INSURANCE RECOVERY FUND

This fund is established to account for receipt of proceeds from the

filing of insurance claims and the subsequent expenditure of funds to replace or repair damaged or stolen property.

# APPENDIX B

## FUNCTION EXPENDITURE CODE DEFINITIONS

#### **1000 INSTRUCTION**

Instruction includes the activities dealing directly with interaction between teachers and students. Teaching may be provided for students in a school classroom, in another location such as a home, and in other learning situations such as those involving co-curricular activities. It may also be provided through some other approved medium such as internet, television, radio, telephone, and correspondence. Included here are the activities of teacher assistants of any type that assist in the instructional process. The activities of tutors, translators, and interpreters would be recorded here.

#### 2100 SUPPORT SERVICES - STUDENTS

This involves activities designed to assess and improve the well being of students and to supplement the teaching process. This would include counseling services, health services, psychological services, and speech pathology and audiology services.

#### 2200 SUPPORT SERVICES - INSTRUCTIONAL STAFF

Activities associated with assisting the instructional staff with the content and process of providing learning experiences for students fall into this classification. This would include staff development, and educational media services.

#### 2300 SUPPORT SERVICES - GENERAL ADMINISTRATION

This includes activities involving the establishment and administration of policy in connection with operating the entire school district. This would include Board of Education services, and Office of the Superintendent services.

#### 2400 SUPPORT SERVICES - SCHOOL ADMINISTRATION

Expenditures for overall administrative responsibility of a single school or a group of schools are given this classification. This would include Office of the Principal services.

#### 2500 SUPPORT SERVICES - BUSINESS

Activities concerned with paying, transporting, exchanging and maintaining goods and services for the LEA are coded to this function. Included are the fiscal and internal services necessary for operating the LEA. This would include budgeting, receiving and disbursing, financial accounting, payroll and internal auditing.

#### 2600 OPERATION AND MAINTENANCE OF PLANT SERVICES

This includes activities concerned with keeping the physical plant open, comfortable, and safe for use, and keeping the grounds, buildings, and equipment in an effective working

condition and state of repair. Activities, which maintain safety in buildings, on the grounds, and in the vicinity of schools, are included.

#### 2700 STUDENT TRANSPORTATION SERVICES

This classification provides financial documentation of activities concerned with the conveyance of students to and from school, as provided by state law. Also included is any transportation costs incurred for various school activity trips.

#### 3100 CHILD NUTRITION PROGRAMS OPERATIONS

These are activities concerned with providing food to students and staff in a school or LEA. This service includes the preparation and service of regular and incidental meals -- breakfasts, lunches, or supplements -- in connection with school activities, and the delivery of food.

#### 3200 OTHER ENTERPRISE SERVICES OPERATIONS

Activities that are financed and operated in a manner similar to private business enterprises -- where the stated intent is that the costs are financed or recovered primarily through user charges. One example could be the LEA bookstore, or items purchased through the Activity Fund for resale.

#### 3300 COMMUNITY SERVICE OPERATIONS

This classification accounts for activities that are not directly related to the provision of education to students in the LEA. These include services such as community recreation programs, civic activities, public libraries, programs for custody and care of children, and community welfare activities provided by the LEA for the community as a whole or some segment of the community.

#### 4000 FACILITIES ACQUISITION AND CONSTRUCTION SERVICES

This function classification consists of activities involved with the acquisition of land and buildings; remodeling buildings; the construction of buildings and additions; initial installation or extension of service systems and other built-in equipment; and improvements to sites.

## 5200 FUND TRANSFER/REIMBURSEMENT (CHILD NUTRITION FUND/ACTIVITY FUND/PETTY CASH/CHANGE)

Transactions that withdraw money from one fund and place it in another without recourse are included in this category.

#### 5300 CLEARING ACCOUNT

This classification is used for recording of expenditures that cannot be charged to a specific function code at the time the expenditure must be made. As an example, this function code would be used for prepayment of workers' compensation premiums.

#### 5500 PRIVATE NONPROFIT SCHOOLS

Expenditure of funds received by the LEA for purchases to benefit students and/or teachers of private nonprofit schools are coded here. It is illegal for these funds to go directly to the private nonprofit schools. The LEA purchases, directly from the provider, supplies or services for the private nonprofit school's use.

#### 7000 OTHER USES

This function classification is used to account for payments made from self-funded workers' compensation, unemployment, medical insurance, and other employee benefit funds.

#### 8000 REPAYMENTS

This would include district payments to outside agencies for refund of restricted revenue previously received for overpayments, nonqualified expenditures, and other refunds to be repaid from district funds.

I would like to request your approval of the Guthrie Junior High's annual Health Fair. The Health Fair is for seventh grade students only and is tentatively planned for Tuesday, December 13th and Thursday, December 15<sup>th</sup>. Following is a list of the presenter's and the topic that they will be speaking about with the students.

Nutrition and Portion Size	Carissa Redman	Logan County Health Department
Drug Intervention	Officer Gibbs	Guthrie Police Department
AIDES Awareness	Debbie Blan	Logan County Health Department
Fitness	Courtney McLemore	Logan County Health Department
<b>Bullying Prevention</b>	John Talley	Regional FCA Director
Tobacco Stops With Me	Nikkiey Morton	Logan County Health Department

I have also attached the letter that will be sent home with the students explaining each class to the parents once the board has approved the Health Fair.

I appreciate your continued support.

Respectfully,

Teresa Barbour, M.Ed. GJHS Counselor November 30, 2016

Dear GJHS Parents,

I am excited to tell you about our annual Seventh Grade Health Fair. This is a fun filled **DAY** (all day event) where students get to listen and participate with dynamic speakers on health related issues. Active participation is expected so please wear appropriate clothing. (Example sweats, shorts, t-shirt, sports bra, tennis shoes: school dress code applies to clothing.) The Health Fair will be held here at the Junior High on Tuesday, December 13th for A-Floor students and on Thursday, December 15th for the B-Floor students.

**Nutrition & Portion Size** presented by Carissa Redman, Logan County Health Department, is focused on reading food labels and understanding what is an appropriate portion size and exactly what nutrients are in the food you are choosing to eat.

**Bullying Prevention** presented by John Talley, FCA Regional Director. This class teaches students how to recognize bullying, prevent bullying and help someone else who is being bullied.

**Fitness** presented by Courtney McLemore, Logan County Health Department, is an active workshop of fun filled games showing the students just how much fun and how easy it is to be physically active.

**AIDS Awareness** presented by Debbie Blan, Logan County Health Department, presents factual information on how you become infected with HIV/AIDS and how to prevent becoming infected.

**Drug Intervention** presented by Office Anthony Gibbs, Guthrie Police Department, this informative class will discuss the substances that are considered "DRUGS" in the school environment, the effects on the body and how to deal with the pressures driving students to use drugs.

**Tobacco Stops With Me** presented by Nikkiey Morton, Logan County Health Department, is focusing on the negative health effects that tobacco and second hand smoke has on the body.

If you have any questions or concerns please feel free to call me at 282-5936.

Respectfully,

Teresa Barbour

**GJHS** Counselor

RECEIVED

September 9, 2016

Dr. Mike Simpson Guthrie Public Schools 802 E. Vilas Guthrie, OK 73044

Dear Dr. Simpson,

I hope you're off to a great start for a successful school year.

The attached form is a Memorandum of Understanding with our partner school districts concerning the academic credit options provided at Meridian Technology Center. As a requirement of the Oklahoma State Department of Education's Accreditation Department, Meridian Technology Center is required to have documentation available from the sending schools local board approving mathematics, science, and computer science courses to be counted for graduation credits.

Please complete the enclosed Memorandum of Understanding (MOU) and return the original to me at your earliest convenience.

Also enclosed you will find a 2016-17 Unit Transcripting Options and Codes containing a list of courses, including OCAS codes, for students needing Academic Credit.

Sincerely,

Douglas R. Major, Ed.D. Superintendent/CEO

# Memorandum of Understanding for Academic Credit Options

The Guthrie Public Schools Board of Education has approved the transcription of math, science, and computer science credit options taught at Meridian Technology Center. The Oklahoma Department of Career and Technology Education and the Oklahoma State Department of Education set guidelines for courses that may be used at the technology center for public school academic credit. Meridian Technology Center follows those guidelines as set forth by both agencies. The approval to utilize the academic credit options at Meridian Technology Center for high school graduation credit was approved by the Board of Education on:

#### **CERTIFIED** STAFF RESIGNATIONS

It is the policy of the Guthrie Board of Education that teacher resignations must be tendered no later than 15 days after the 1<sup>st</sup> Monday in June. Resignations submitted after that date will not be accepted by the board unless a replacement teacher of similar quality has already been secured.

An employee's resignation must be submitted in writing to the superintendent. The resignation must be unequivocal as to intent and effective date. A resignation may not be withdrawn after it has been submitted to the superintendent and will be considered irrevocable from that date. Only the board of education has the authority to accept and act on resignations.

#### **GUTHRIE PUBLIC SCHOOLS WELLNESS POLICY**

A significant amount of research exists showing the important roles nutrition and physical health play in student learning. To increase the likelihood for students to achieve their full academic potential, the district is committed to promoting health and wellness in all its school sites. This policy outlines the district's goals and procedures to ensure:

- Students have access to healthy foods at school in accordance with federal and state nutrition standards
- Students receive quality nutrition education to help them develop lifelong healthy eating behaviors
- Students have opportunities to be physically active before, during, and after school
- Individual school sites promote nutrition, physical activity and other behaviors which encourage wellness
- The community is welcome in the district's wellness program
- The smooth operation of the district's wellness program

The board encourages staff to engage in healthy eating and appropriate physical activity since staff members serve as role models for district students.

#### **District Wellness Committee Membership and Leadership**

The district's wellness program will be coordinated by a District Wellness Officer, to be assigned by the Superintendent. Each building principal will annually designate one (1) individual at their school site to be a liaison to the district's wellness committee which will meet at least once each semester. The name of the site liaison for each building will be publicized on the district's website, in school newsletters and by other means as is determined to be appropriate. Individual sites will publicize the name and contact information for their site liaison in school newsletters, as a part of routine parent updates, and through other appropriate methods.

Although the district's wellness program is coordinated by the District Wellness Officer, the program will be based on the work of the site safe and healthy schools committees. Committees will meet once each semester during the school year for the purpose of reviewing existing wellness activities, brainstorming new activities, reviewing and assessing the district's wellness policies and procedures, and related actions in order to make recommendations to the district wellness committee. The district wellness committee will then consider the recommendations and findings of site committees for the purpose of implementing appropriate activities, programs, and policies at the district level.

Membership on the site safe and healthy schools committees will be open to interested parents, students, health care providers, social service workers and school representatives. The committees will include, minimally, the site liaison, a school administrator, and a PE teacher.

Each site safe and healthy schools committee will also focus on providing wellness resources and strategies to teachers. This will be accomplished by making recommendations to the site principal regarding health, wellness, integrating kinesthetic learning and the overall connection between wellness and learning.

Adoption Date: 05-08-2006

#### Assessment, Planning and Reporting

The District Wellness Officer is responsible for conducting a district assessment using tools available through the Centers for Disease Control. Once the assessment is completed, the committee will develop and maintain a plan to implement and manage the district's wellness program. The district's plan will be specific for each site (although the site plans may be substantially similar) and delineate the roles, responsibilities, actions and timelines for wellness activities. It will also include specific goals and objectives for nutrition standards for all foods and beverages available on campus, outside food/beverage marketing, nutrition promotion and education, physical activity and education and other wellness activities. The plan will be regularly assessed, reviewed and updated in light of district needs, emerging research and to ensure compliance with the latest local, state and federal standards.

The site liaison will annually prepare progress reports on the implementation and progress of the plan at his/her site (including the activities conducted), and the District Wellness Officer will annually present a synopsis of this information to the board.

The District Wellness Officer will also prepare a triennial progress assessment for the board. This assessment will include information such as the extent to which individual schools are in compliance with the policy, how the district's program compares with federal standards and a description of the overall progress in attaining the district's goals.

A copy of all assessments, plans and progress reports will be available through the District Wellness Officer. The District Wellness Officer will also maintain documentation demonstrating efforts to involve non-employees in the committee, minutes from the committee meetings, notes regarding wellness activities conducted, and information regarding how this information was made available to families and community members.

#### **Open Communication**

The District Wellness Officer, with input and assistance from site liaisons, is expected to make an effort to involve all district families, staff, and interested community members in the district's wellness initiatives. This includes providing information to these parties regarding health and wellness, the district's policy and plan, activities, involvement opportunities, school meal standards and available child nutrition programs. This information will be communicated through a variety of methods, including publication in newsletters and on the website, at enrollment, back to school nights and similar activities.

#### School Meals

.

The district participates in the following USDA child nutrition programs:

- National School Lunch Program (NSLP)
- School Breakfast Program (SBP)
  - Summer Food Service Program (SFSP)

Participation in these programs is designed to ensure students receive plenty of fruits, vegetables, whole grains, and fat-free/low-fat milk to meet their nutrition needs. School meals are also calorically appropriate, moderate in sodium, low in saturated fat and have zero grams of trans fat.

Goals of the district's meal program include:

- Improving overall health
- Mitigating childhood obesity
- Modeling healthy eating in support of lifelong eating patterns
- Accommodating cultural food preference and special dietary needs

#### School meals:

- Are accessible to all students
- Are appealing and attractive to children
- Are served in clean and pleasant settings
- Meet or exceed current nutrition requirements established by local, state, and federal statutes and regulations
- Promote healthy food and beverage choices by:
  - Displaying whole fruit options in attractive bowls or baskets
  - Making sliced or cut fruit available daily
  - Displaying daily fruit options in students' line of sight/reach
  - Creatively naming vegetable options
  - Bundling daily vegetable options into all grab and go meals
  - Training servers to politely prompt students to select and consume the daily vegetable options with their meal
  - Placing white milk in front of other beverages in all coolers
  - Highlighting alternative entrée options (e.g., salad bar, yogurt parfaits, etc.) on signs within all service / dining areas
  - Creating a reimbursable meal in all service areas (e.g., salad bars, snack rooms, etc.)
  - Using student surveys and taste testing opportunities to inform menu development, dining space decor, and promotional ideas
  - Displaying student artwork in the service and/or dining areas
  - Marketing menu options through daily announcements

The district has taken the following steps in commitment to increasing student access to nutritious, appealing meals:

- Menus, with nutrition information, will be posted on the school website
- A certified nutrition professional will review/create menus
- Child nutrition professionals administer the district's program
- Special dietary needs will be accommodated
- Students will have at least 10 minutes to eat breakfast and at least 20 minutes to eat lunch (from the time they are seated with their meal)
- Students are served lunch at a reasonable time of day
- Families will be informed about available child nutrition programs

#### **Qualifications and Training**

All school nutrition employees will meet or exceed USDA hiring and annual continuing education/training requirements.

#### Water

To promote hydration, free, safe, unflavored drinking water will be available to all students throughout the school day, including during mealtimes. Students may also bring and carry approved water bottles – filled only with water – throughout the day.

#### **Competitive Foods and Beverages**

Foods and beverages sold during the school day apart from the school meal programs (competitive items) will, at a minimum, meet the USDA Smart Snacks in School standards. The District Wellness Officer is responsible for

annually disseminating healthy and non-food party ideas to teachers, who will provide this information to parents who are bringing classroom snacks.

Competitive items at celebrations and parties are not required to meet USDA Smart Snacks in School standards, although the District Wellness Officer is responsible for annually disseminating healthy and non-food party ideas to teachers, who will provide this information to parents who are bringing classroom snacks.

No food or beverage will be used as a reward or withheld as a punishment, unless specified in a qualified student's IEP.

The district will provide healthy food options for a variety of dietary needs at all meetings when food is provided.

#### Fundraising

Competitive items may be sold during the school day as a fundraiser as long as those items meet USDA Smart Snacks in School standards.

The District Wellness Officer will annually provide staff and PTA representatives a list of healthy fundraising ideas.

The district encourages schools to utilize fundraisers which promote physical activity (e.g. walk-a-thons, jump rope for heart, fun runs).

#### Health and Nutrition Education

Good nutrition will be encouraged throughout the school day using evidence-based techniques, including creative marketing for nutritious food choices. This will create a food environment which encourages healthy eating and participation in school meal programs. Wellness committee employees and child nutrition workers will regularly consult federal and state resources for current tips and resources to implement these requirements.

All health education teachers will provide opportunities for students to practice or rehearse skills taught in their curricula.

#### **Physical Activity**

The district's physical activities include PE classes, recess, and afterschool activities. Physical activity, including recess, will not be withheld as a punishment. This does not include participation in extracurricular activities which are privilege based. The district will maintain safe and appropriate grounds and facilities to promote active students.

#### **Physical Education Classes**

All district students, except those excused due to medical necessity, will participate in age-appropriate, sequential PE classes as required by state and federal curriculum standards.

All district elementary students will participate in 90-149 minutes of physical education per week throughout the school year.

During PE class, students must be moderately to vigorously active for at least half of the class time during most or all PE class sessions.

A health unit will be taught in PE classes at each site. The curriculum for this unit will include nutrition, physical activity and general health information.

Adoption Date: 05-08-2006

Page 4 of 5

All PE classes are taught by teachers who are certified to teach PE.

#### **Recess (Elementary School Students)**

All elementary sites will offer at least twenty (20) minutes of recess every school day, except when early dismissal or similar scheduling requirements make this impractical. Recess is separate from PE classes.

#### **Physical Activity in the Classroom**

To increase attention to learning and to promote wellness, all students will be provided with brief, periodic activity breaks for stretching when possible.
