FOR IMMEDIATE RELEASE

February 15, 2018

This morning, administrators at Guthrie Junior High School were notified of a possible threat to student safety. The information was immediately turned over to the Guthrie Police Department for investigation. The person making the threat was taken into custody by law enforcement. At no time were students in any danger and no change in security levels for the school building were warranted.

Quote from Guthrie Public Schools Superintendent Dr. Mike Simpson:

"I appreciate the students who notified us of this threat. I also want to thank the building administration and Guthrie Police Department for their swift response."
